

## Scholarship Application

Student Ministries

Neighborhood Church

Dear Student and/or Parent:

We at Neighborhood desire to see students grow in the Lord. Throughout the year there are several events that do this. We understand that for some, finances are an obstacle between students and these great opportunities. The Bible says that “you will reap what you sow”, so we try to help with financial assistance (sowing into the lives of students)! For example, we will provide **partial scholarships** for Summer Camp and Winter Retreat. These events provide a great atmosphere to grow and develop relationships with each other and the Lord.

On the backside of this paper there is an ‘**application for scholarship**’. While giving scholarship money we look at the following things:

1. Has the student made an effort to provide finances, or is this simply a matter of choice/prioritizing their money to something other than this event...resulting in the lack of funds? (*you can feed a man a fish and feed him for a day or you can teach a man to fish and feed him for life*)
2. Are there still finances available? (scholarships are offered on a first come, first serve basis)
3. Has the student already been involved in a mission’s trip, choir tour or camps that another student has not been able to participate in because of finances? (*i.e. is Billy asking for a scholarship for camp after already attending a missions trip? But Jill, who was not able to go on the missions trip is now asking for financial assistance for camp.*)

We look at these things and then decide whether to award a *partial* scholarship or not. Full scholarships are not awarded unless an individual desiring to give scholarship money expresses that it is specifically for this student and for their going to the retreat or ministry function.

Please fill out this form (on back) and turn it in along with your registration and the amount of money you will be able to pay for the event you wish to attend, **due Sunday December 20th**. Scholarships are awarded after all donations have been received prior to the event. They are then distributed between the applicants. Late registrations will be considered for scholarships only if there are ample funds remaining.
